Meet our Neighbors In Area 8
It's Time to Share Your Story

- **Attend another Rotary club meeting**
  - **Los Gatos Morning Rotary** **Wednesday 8:30 AM**
  - **Cupertino Rotary** **Wednesday 12:00 PM**
  - **E Club Silicon Valley** **on line**
  - **Saratoga Rotary** **Friday 12:15 PM**
- **Red Badge Bio presentation on Zoom**
- **Henry Vitkovich & David Karwowski will help you**

Enjoy Your New Life For A While

- **Run, bike, hike, walk, but maintain social distance**
- **Limit travel in town, keep records of personal contact**
- **Shop with care, clean hands and handles, use clean bags, wear masks**
- **Listen to reliable news sources; avoid spreading misinformation**
- **Share recipes, food, supplies**
- **Check in with your neighbors, friends, family**
- **Enjoy some books, stream tv, clean out the attic, weed the garden and get your taxes done**

Santa Clara County COVID-19 Cases Dashboard

Data last updated May 23, 2020

This dashboard provides detailed data on cases of COVID-19 in Santa Clara County. Due to limited testing capacity, the information reported represents only a small sample of the likely total COVID-19 cases in Santa Clara County. Increased testing availability is expected to increase the number of confirmed COVID-19 cases reported.

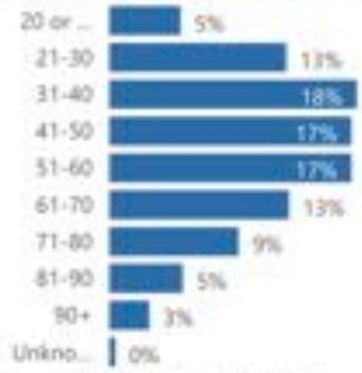

Total Cases	New Cases	Total Deaths	New Deaths	Currently Hospitalized
2571	30	139	1	99

Cases by City → Cities

Santa Clara County COVID-19 Deaths Dashboard

Data last updated May 23, 2020

This dashboard provides detailed data on deaths of individuals who died in Santa Clara County with COVID-19. Deaths by day are shown for residents at Long-Term Care Facilities (LTCFs), which includes skilled nursing, independent living, assisted living and board and care facilities. Because LTCFs typically serve older individuals with chronic health conditions, residents of LTCFs are at greater risk of developing severe disease from COVID-19.

Total Cases	New Cases	Total Deaths	New Deaths	Currently Hospitalized

Cumulative Deaths by Gender

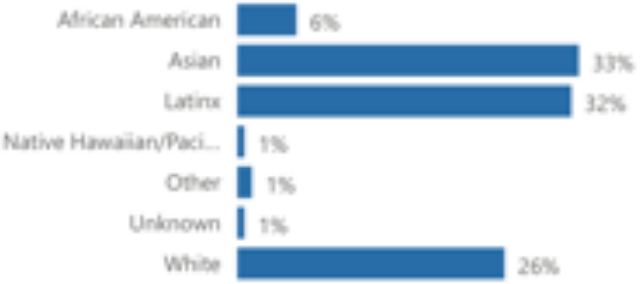

Cumulative Deaths by Age Group

Deaths by Presence of Underlying Health Conditions

Deaths by Race/Ethnicity

Deaths by Day for LTCFs and Non-LTCFs

Who Should Get Tested?

Anyone experiencing any of the COVID-19 symptoms should get tested.

Anyone, whether or not they have symptoms, who has been exposed to someone who was confirmed to have COVID-19 should get tested right away.

The Public Health Department is also recommending testing for the following groups of people even if they do not have any symptoms:

> **Any frontline or healthcare worker who regularly interacts with members of the public and cannot maintain social distancing at work should ideally get tested once a month.**
> This may include those who work in **healthcare,** homeless shelters, jails and other custodial settings, food banks, public safety/emergency response, food service, grocery, construction, delivery, janitorial, transit, or social work, among other jobs. This does not include those who are able to maintain social distancing while at work, such as essential workers who work in a back office.

Any person who works in a skilled nursing facility should ideally get tested every two weeks.

Uplift Family Services

- ***As the coronavirus disease continues to cross economic, demographic, and geographic borders and leave California communities in an uncertain state, the families we serve are grappling with …basic needs such as food, household essential... simple crafts and activities for children who are in the home–like paper, markers, books, board games***

- **Autism (sABA) Campbell Program urgent material needs:**

https://www.amazon.com/gp/registry/wishlist/1ELHV6QWSTB2W/

- **Families in need of computer printers, desks, bunk bed with desk**

CALLING ALL CALIFORNIANS!

Every Californian can safely help their community during these difficult times. Here are some ways you can make a difference:

Deliver Meals

Vulnerable seniors are at greatest risk amid COVID-19. Let's help keep them safe and cared for. Contact your local Meals on Wheels organization, visit **www.mealsonwheelsamerica.org.**

Donate to a shelter or food bank

During this time organizations are running low on food items, help them stay well stocked for those in need.

Volunteer at a food bank

Food banks are in great need of volunteers to help pack and sort food. They are taking precautions to prioritize volunteer safety. Visit California Association of Food Banks at **www.CAfoodbank.org** to find a food bank near you.

Support Nonprofits

Nonprofit organizations serving vulnerable communities – like seniors and low-income families – need your help. Find a fund to donate to nonprofits in your community on the Philanthropy California COVID-19 Response Page: **www.philanthropyca.org/covid-19-response.**

Wellness Checks

Check on older neighbors with a call, text, or talk through the door.

Hygiene Kits

Create hygiene kits and drop off at a shelter for people experiencing homelessness to help them stay healthy and safe.

Donate Blood

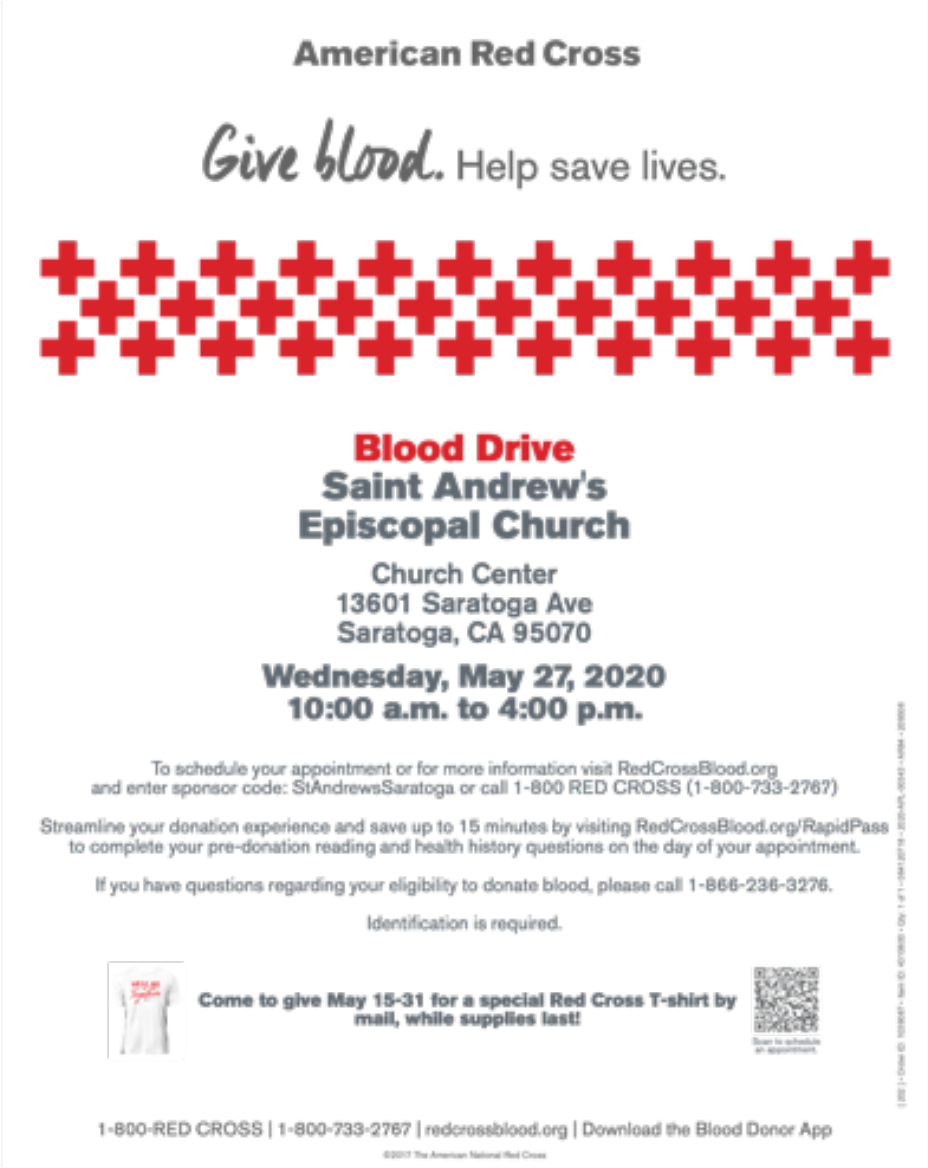

Healthy, eligible donors are urged to come out and give to ensure there's lifesaving blood on the shelves for those who need it most. Visit the Red Cross: **www.redcrossblood.org.**

CALIFORNIANS ALL

CaliforniansForAll.ca.gov

- To Donate Blood you must have appt.
- Volunteer Help with:
  - On-site ID, registration
  - Post-donation snacks
- Register on-line: RedCrossBlood.org
  - Sponsor code: StAndrewsSaratoga
- 24 slots available for donors

SILICON VALLEY CLEAN ENERGY

ABOUT SVCE · PROGRAMS · YOUR CHOICES · RATES + BILLING · MEETINGS + AGENDAS

GreenPrime

Carbon Free

100% Renewable

Choose to upgrade to GreenPrime, SVCE's 100% renewable generation service, and be at the forefront of our community's commitment to a clean energy future. GreenPrime is generated from 100% renewable, carbon-free sources, primarily from solar and wind farms in California and on the western grid. Buying GreenPrime further expands generation from these new and competitive renewable energy sources.

GreenPrime is available at a premium of less than 1 penny per kilowatt-hour. For a typical residential customer, that's less than $5 a month.

As a customer, you can choose "GreenPrime, Anytime" after you've been enrolled in GreenStart.

GREENPRIME, ANYTIME

Energy CERTIFIED

SVCE's GreenPrime 100% Renewable Energy product is Green-e® Energy certified, and meets the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at www.green-e.org
